

VPJ – Vapor Proof CFL

- Many industrial and utility settings are populated with 75 to 150W incandescent jelly jars.

 - CFL light sources have come a long way from the early days of short life, hard to order lamps and ballasts.
 - Today’s compact fluorescents feature excellent life, energy efficiency, and an extremely economical cost point.
- Due to short burn hours, low cost “offpeak” energy, and rebates focused on “onpeak” loads, ECM’s involving higher cost light sources can be undesirable.

 - P2 offers CFL solutions that deliver excellent energy & maintenance efficiency, and a positive impact to your relighting project ROI.
- P2’s CFL Products Provide.....

 - A select set of standard, easy to spec CFL luminaires.
 - Common lamp ballast systems for ease of maintenance.
 - Two ballast types, three lamp types, six combinations ranging from 29 to 93 system watts and 1,800 to 6,400 lumens.
- Why P2? It’s Simple. We are focused on supporting your relighting efforts.

 - Unlike manufacturers who focus on one light source technology, we focus on a single goal; delivering viable solutions for your projects.
 - Contact us for additional information on P2 LED and Linear Fluorescent solutions.

➤ VPJ – Energy Efficient Vapor Proof Jelly Jar

➤ Application

- Walk in freezers and coolers.
- Commercial, industrial, and utility areas.
- Applications where energy efficiency and economy are the primary concerns.

VPJ – 1 – 13W – 41k – UL – 5P – NA

Fixture Series
VPJ = Vapor Proof CFL

Lamp Quantity
1L = 1 Lamp

Lamp Type
13W = 13 Watt CFL

Lamp Color
41k = Standard 41 Kelvin Lamp
65k = Optional 65 Kelvin Lamp

Voltage
UL = Universal 120-277v

Mounting
5P = 1/2” Pendant Mount
5W = 1/2” Wall Mount (weather proof box included)

Special Order Lamps/Ballasts
NA = Standard Cost Electronic Ballast/Lamp
OS = Osram Sylvania Components
GE = General Electric Components
PH = Philips/Advance Components
ULT = Universal Lighting Tech Ballasts

[For higher wattages see our T5HO Outdoor and LED Products]

VPJ – Vapor Proof CFL

Fixture Construction

- Tempered Clear Glass Globe
- Screw on guard
- Die Cast Housing
- Grey Powder Coat Finish
- Standard Electronic Ballast
- Stocked and supported in the USA.
Hudson WI, Gainesville FL, Orange
County CA.
